

NEW in the 2019/2020 Application Year

To help with the industry's work force planning issues, NPGF is doing its part. In the 2019/2020 school year, NPGF is offering two, \$1,000 scholarships for students pursuing one of the six fields listed below at a trade, technical or vocational school.

- Commercial Truck Driving
- Electrical
- Gas Fitting
- HVAC
- Pipe Fitting
- Plumbing

In addition, Missouri Propane Gas Association is offering one of its \$1,000 scholarships to a Missouri applicant who is pursuing a HVAC course of study.

Applicants only need to complete the regular NPGF Scholarship application as there are no other requirements. Go to www.npga.org/scholarship to apply.

Any questions can be referred to Lori Dec, NPGA Scholarship Coordinator at ldec@npga.org or 202 355 1328.
