DiSC© Training Travels to Reno

WIP offers leading-edge training designed to build your management, sales, and everyday workplace muscles! Training utilizes principles of DiSC behavioral assessment to make you a more effective leader in a 90-minute seminar in Reno. Open to all Western Propane Convention attendees.

Men and women can hone their business skills by attending this brief overview session packed with valuable and useable strategies.

Thursday, May 16, 1:30-3:00pm in Reno Ballroom. Presented by certified trainers Laurie Irish-Jones, Jennifer Jackson, and Milissa Lord.

Details.

Knowledge Exchange enrollment is now year-round!

Qualified, expert, and experienced volunteer mentors are standing by to work with mentees in our industry. Enrollment for the structured, national mentoring network is open NOW.

A nationwide mentoring network for men and women. Mentees set their own goals. Mentors guide and support them to achieve their goals. Mentee investment is $250 for the six-month course.

Details here.

Leadership Development Opportunities this Summer

Workforce development is the primary mission of the Women in Propane Council. Expanding its reach across the nation makes it possible for you to be involved in advancing your career no matter where you are located. In addition to the DiSC training in Reno in May (see first item), you can find a similar presentation at the Northeast Propane Convention upcoming in August. (Details TBA.)

Each year, the NPGA hosts Propane Days in Washington, D.C. We encourage you to go to our nation’s Capitol to advocate for our industry’s fuel with our legislators. The dates for this event are June 3-5, 2019 at the Hyatt Regency Capitol Hill Washington D.C.
