Summertime, and the Grillin’ is Easy!

Wishing all Women in Propane members a safe and happy holiday!

Will you be grilling? Waving the flag? Watching a parade? A celebration time to honor the birth of the United States of America is the perfect opportunity to spend time with family, friends, neighbors, and communities. Enjoy!

After the holiday, the WIP Council leadership team will be getting back to work to plan workplace and leadership development for 2020. Inspiring our future leaders and empowering current employees will bring fresh perspective and insight about leadership by taking full advantage of WIP’s impactful trainings.
