

Technical, Trade and/or Vocational School Scholarships

Continuing in the 2020 2021 Application Year

To help with the industry's work force planning issues, NPGF is doing its part. Starting in the 2019/2020 school year, and now continuing, NPGF will offer \$1,000 scholarships for students pursuing one of the six fields listed below at a trade, technical or vocational school.

- Commercial Truck Driving
- Electrical
- Gas Fitting
- HVAC
- Pipe Fitting
- Plumbing

In addition, in the 2020/2021 school year, two Missouri Propane CONNECT Scholarships at \$1,000 will be bestowed to Missouri applicants who are pursuing a HVAC course of study.

Applicants only need to complete the one NPGF Scholarship application. Go to www.npga.org/scholarship to apply.

Any questions can be referred to Lori Dec, NPGA Scholarship Coordinator at ldec@npga.org or 202-355-1328.
