The National Propane Gas Foundation Scholarship Fund helps me to achieve my educational goals.

The NPGF Scholarship means that propane is affecting my life in just one more way. This is much more than just a scholarship; this is an opportunity for me to help me to achieve my educational goals.

I am extremely thankful for the NPGF Scholarship. To even be considered, and then be selected, really helps and makes college more affordable.

I am grateful for the NPGF Scholarship. To even be considered, and then be selected, really helps and makes college more affordable.

I appreciate this NPGF award and will use it to help me to achieve my educational goals.

This award is helping me accomplish my goal of working to finish college with no student loans. It is helping me to achieve my educational goals.

This opportunity is one of a kind, and I am grateful for the NPGF Scholarship means that I will be able to continue my education.

It is morale boosting to receive this scholarship.

This is much more than just a scholarship, this is an opportunity for me to help me to achieve my educational goals.

I am surprised and honored to be awarded this scholarship.

This opportunity is one of a kind, and I am grateful for the NPGF Scholarship means that I will be able to continue my education.

I am grateful for the NPGF Scholarship. To even be considered, and then be selected, really helps and makes college more affordable.

Being a recipient of this scholarship, it shows that the NPGF saw potential in me.

Being a recipient of this scholarship will allow me to take this award for granted as I will continue to strive to be the best I can be.

I am surprised and honored to be awarded this scholarship.

Being a recipient of this scholarship will allow me to continue to strive to be the best I can be.

Since there are four NPGF Scholarships each year, it shows that the NPGF saw potential in me.

I am extremely thankful for the NPGF Scholarship. It truly means a great deal to me as it truly helps and makes college more affordable.

I am grateful for the NPGF Scholarship. To even be considered, and then be selected, really helps and makes college more affordable.

This award is helping me accomplish my goal of working to finish college with no student loans. It is helping me to achieve my educational goals.
