Technical, Trade and/or Vocational School Scholarships
Continuing in the 2020/2021 Application Year!

To help with the industry’s work force planning issues, NPGF is doing its part in offering $1,000 scholarships for students pursuing one of the following propane-related fields listed below at an accredited trade, technical or vocational school.

- Commercial Truck Driver
- Electrician
- Gas Fitter
- HVAC Technician
- Pipe Fitter
- Plumber

In addition, in the 2020/2021 school year, two Missouri Propane CONNECT Scholarships at $1,000 will be bestowed to Missouri applicants who are pursuing a HVAC course of study.

Applicants only need to complete the one NPGF Scholarship application. Go to www.npga.org/scholarship to apply on September 15, 2019. Applications are due February 15, 2020.

Any questions can be referred to Lori Dec, NPGA Scholarship Coordinator at ldec@npga.org (email) or 202-355-1328 (phone).
