Are you Planning to Attend a Technical, Trade and/or Vocational School in 2021-2022? We can Help!

To help with the industry’s work force planning issues, NPGF is doing its part in offering $1,000 scholarships for students attending technical, trade and/or vocational schools. Apply once and be considered for the following:

I. Pursuing a propane-related field? If your career goal is listed below, we have special scholarships for these fields:

- Commercial Truck Driver
- Electrician
- Gas Fitter
- HVAC Technician
- Pipe Fitter
- Plumber

II. It gets even better! If you are a Missouri applicant as we have special scholarships for students pursuing Construction or HVAC course of study.

III. And finally, NPGA’s newest technical school scholarship offered for the first time this year has no curriculum-related requirement!

Go to NPGA’s scholarship page (www.npga.org/scholarship) to apply on September 15, 2020. Applications are due February 15, 2021.

Any questions can be referred to NPGA Foundation Manager at scholarship@npga.org (email) or 202-355-1328 (phone).
