

## NPGA Board of Directors State Director Description

State Directors constitute the largest single group of directors on the NPGA Board. The basic overall responsibility of state directors is to promote communication and participation between NPGA and their state associations.

### Primary Duties

- Become knowledgeable about NPGA policies, programs, and activities
- Represent states interests at Board of Director meetings
- Inform and educate constituents about NPGA policies and Board decisions
- Represent NPGA to the members of their respective state/regional association
- Provide assistance to constituents with understanding Board decisions and accessing NPGA benefits
- Assist both NPGA staff and respective state/regional association executive in fulfilling the obligations stated within the *NPGA-State Association "Partnership Program" Affiliation Plan*. This includes, but is not limited to, obtaining, and submitting on an annual basis the marketer membership lists to be used in the dues reconciliation process.
- Strongly encouraged to support the PropanePAC
- The term of service for an NPGA State Director is 2 years
