

NPGA District Directors

District Directors represent specific geographic regions on the NPGA Board of Directors. They are elected by the State Directors from the states comprising the district.

Responsibilities

- Become knowledgeable about NPGA policies, programs, and activities
- **Represent regional interests at Board of Director meetings**
- Moderate district discussion groups at Marketers Section Meeting during NPGA Board meetings
- District directors employed by a marketer company vote to elect annually both interstate and multistate marketer section representatives to the NPGA Executive Committee
- The term of service for a NPGA District Director is 2 years
- Strongly encouraged to support the PropanePAC
