

NATIONAL PROPANE GAS SCHOLARSHIP COMMITTEE

Scope

To foster educational opportunities in the form of college, university, vocational, technical, and trade school scholarships for the children of NPGA member company employees; to oversee fundraising to increase the number of scholarships available; and to oversee the scholarship award program.

Overview

The Scholarship Committee provides oversight for the NPGF scholarship program, which annually awards 100+ scholarship to the children of NPGA member company employees. The committee is responsible for tasks key to the success of the annual cycle:

- Raises funds in accordance with NPGF's 501(c)3 status to increase the number of scholarships available, reviews the financial statements and the performance of the Foundation's investment portfolios, and recommends an annual budget.
- Reads and scores scholarship applications and participates in the process of designating scholarship recipients in accordance with established award criteria.

The committee meets twice per year and as the need arises.
