

Young Professionals Council (YPC)

YPC provides a forum for the next generation of propane industry leadership through professional development opportunities for employees 40 years of age and under.

NATIONAL PROPANE GAS ASSOCIATION
YOUNG PROFESSIONALS COUNCIL

Membership Benefits

- Educational opportunities
- Leadership opportunities in YPC management and committees
- Networking with other young professionals and industry leaders
- Annual Day of Service

YPC Committees

YPC's five volunteer-led committees support the council and offer leadership and professional development opportunities.

- Education & Training – Develops educational opportunities and secures sponsors for YPC programs.
- Membership – Recruits and engages new members.
- State Engagement – Promotes YPC and engagement at the state level.
- Marketing & Promotion – Creates marketing/promotional content for social media.
- Awards Program - Recognizes emerging leaders in the propane industry.
